Strong Foundations; Bright Futures

HEADTEACHER'S MESSAGE

Dear all,

This week has been Sports enrichment week at Tunstead- All children have enjoyed a range of experiences including archery, skiing and tubing and some wonderful adult led games at the Nest (Community Sports Foundation). It was great to watch the children engage fully in the experiences and gain in self-confidence as they persevered and achieved. Please take a look at the school website for pictures.

Our Year 1 pupils have this week completed their phonics tests and have all done brilliantly. This week has also been parents evening- thank you to everyone that has attended. If you were unable to attend please contact the office and we will make an appointment that is convenient to you.

Kind regards
Rebecca Quinn

House Point Leaderboard

1st - Swallowtail 967

2nd - Otter 954

3rd - Bittern 765

4th - Harrier 760

TUNSTEAD FRIENDS

Tunstead Village Jubilee Event

Our school's 'fun tent' at this event was really enjoyable. We saw children from our school as well as from surrounding villages take part in activities within our gazebo which raised over £70 for our 'Friends' charity. It was also lovely to be able to share the gazebo with Mrs Payne who worked hard the entire day raising funds for Forest School. Thank you to those who volunteered on the day (and the weather wasn't kind!) as well as those who came to support us, it's so very much appreciated.

School Summer Fete - Saturday 16th July

We're organising lots of fun activities including Class Stalls. Each class will be given £20 stake money in order to come up with an enterprise for the day to raise money for the 'Friends' charity. We're looking for 4 local businesses to sponsor the classes. If you have a local business and are able to donate £20 in order to sponsor a class, please email us asap at tfriends5wra@nsix.org.uk. In return we will advertise your business in all our promotions of this event, which is open to school families as well as the wider community. Your signage will also be displayed within the class stall and on our programme on the day.

ASSEMBLY FOCUS

This week's assembly was all about emotional awareness, and how people may react in different ways to different emotions. We looked at some of the characters from the movie Inside Out, which is a great way to talk to children about how emotions can make our body feel and react.

FOREST SCHOOL

In Forest School this week we have been learning about using our five senses in the natural world. The children have enjoyed activities wearing a blindfold to taste test and guess items hidden in a box. We listened to the birds singing and leaves rustling. We smelled herbs and looked at insects and worms, the favourite being a friendly Speckled Wood butterfly.
