FOREST SCHOOL

Birch Class had a busy Forest School club this week, making their own paint from natural resources. A pestle and mortar was used to grind charcoal with water. This made an excellent face paint! Other colours were made from cherries, mud, leaves and flowers.

Children from Oak and Sycamore, and those attending Forest School Club, all have enjoyed finding worms for our new wormery. We have learnt worm facts and made worms from cheerios!

ASSEMBLY FOCUS

In this week's assembly we talked about feeling like the odd one out, and how this might happen by accident sometimes (like when you forget to bring something into school) or to keep you safe (the only member of the family not tall enough to go on a ride) and that this may be frustrating but is normal and ok. We also talked about when it is not ok, when people choose to not let someone join in for unfair / selfish reasons, and that we would like everyone in school to encourage others to join in and not leave them out.

FRIENDS

Thank you so much for the Toy & Teddy Tombola donations which have come in this week. Next week is TOILETRIES so please bring in those smellies and gift sets you never opened from Christmas!

Roy's have kindly lent us a trolley which will be on the playground at morning drop-off, so just pop your donations in there.
