Monday 20th May

Dear Parent/Carer,

Year 5 Science and Art Day at Broadland High OA Thursday 11th July

On Thursday 11th July, Broadland High Ormiston Academy will be hosting a Science and Art day specifically for year 5 students within our cluster. During the day they will be looking closely into the microscopic world, and using art, science, textiles and 3D design to research and express their findings. This will also give them a first taste of time in a secondary school as part of the early stages of preparing for their transition to high school next year.

We have arranged for the children to be transported via minibus, and they will leave school at 9:15am and return for 1:45pm. There will be no hot lunches available on this day so all children will need a healthy packed lunch, water and healthy snack. This can either be brought from home or ordered through school. Please indicate lunch choice on the form below. Children will need to wear school uniform, and have either a waterproof coat or suncream and hat depending upon the weather. They will be out on the main school field after lunch.

For your child to attend please can you complete the consent form below and indicate lunch choice.

Yours faithfully,

Sam Birkinshaw
 Deputy Headteacher

.....
