Keep playing and practising some of the sports you have enjoyed experiencing this week...especially learning to ride a bike.	Conifer has had a great week experiencing all the different activities. Well done for trying your best at everything.	A fantastic Sport's Enrichment Week! Don't forget it's the Personal Survival Session in swimming on Wednesday & All Change Day Thursday.

Thank you for your kind donations so far for the bottle and teddy tombola's. We would welcome more donations so if you are able to donate please bring to school next week.

We would appreciate all sold and unsold raffle tickets to be returned to school by Wednesday 3rd July. We have some fantastic prizes including boat hire for the day, vouchers for local attractions and hampers.

The summer fayre plans are taking shape and we are excited to be joined by kids party circus workshop who will teach us all sorts of circus skills. We have a bouncy castle which will be £2.50 a wristband for unlimited 5 minute sessions throughout the fayre. We have refreshments including a BBQ, Pimm's, candy floss and popcorn. Classes will all be running games stalls so if your children would like to help run their stall let their class teacher know next week.

We look forward to welcoming you to the fun of the circus including games, face painting and dressing up.

If you would like to help with either the set up on Friday afternoon or on the day please let us know either in person or by email at tfriends5wra@nsix.org.uk
