

We ask that all visitors to our schools use the following guidelines to support a safe and effective community.

1. Present themselves to Reception and explain who they are, the reason for the visit and who they would like to see.
2. Only use kind language whilst on the school ground.
3. Be a good role model at all times
4. When in school please use a quiet voice as children are learning
5. Be respectful to pupils and staff at all times
6. If an issue has occurred your child's class teacher will be the first point of contact where possible.
7. Be inclusive and kind to others. Discrimination and bullying will not be tolerated in any form.
8. Please think carefully about how you use social media- we would always invite you to come into school if you have a question or a worry.
9. If you have a worry or would like to speak to your child's class teacher please contact the school office in the first instance and they will ensure your messages are passed on.
